

WE NEED YOUR VOICE TO MAKE THE OREGON HEALTH PLAN BETTER!

WHAT'S THE CAC?

The Community Advisory Council (CAC) is a space where Oregon Health Plan members can help make decisions about how local healthcare dollars are spent in Marion and Polk Counties. We share your opinions directly with healthcare service providers in order to make you and your family's experience even better.

Why join the Community Advisory Council?

On the CAC, your voice will help guide how to improve Oregon Health Plan services so our neighbors can live longer, healthier lives. Your opinions will also shape how OHP members of all identities can better access healthcare in their community.

We value your time and energy: CAC members are compensated for the time they spend working with the Council.

How much of a time commitment is the CAC?

The only expectation for CAC members is that you come prepared and ready to respectfully share your thoughts at a monthly 2-hour meeting.

How do I sign up?

If you are an Oregon Health Plan Member or the parent, caretaker, or loved one of an Oregon Health Plan Member in Marion or Polk Counties, please contact Sarah at the Willamette Health Council.
